Board Policy

Student Records

BP 5125

Students

The Governing Board recognizes the importance of keeping accurate, comprehensive student records as required by law. Procedures for maintaining the confidentiality of student records shall be consistent with state and federal law.

The Superintendent or designee shall establish administrative regulations governing the identification, description and security of student records, as well as timely access for authorized persons. These regulations shall ensure parental rights to review, inspect, and copy student records and shall protect the student and the student's family from invasion of privacy.

(cf. 3580 - District Records)

(cf. 4040 - Employee Use of Technology)

(cf. 5125.1 - Release of Directory Information)

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

(cf. 5125.3 - Challenging Student Records)

The Superintendent or designee shall designate a certificated employee to serve as custodian of records, with responsibility for student records at the district level. At each school, the principal or a certificated designee shall act as custodian of records for students enrolled at that school. The custodian of records shall be responsible for implementing Board policy and administrative regulation regarding student records. (5 CCR 431)

No information or documents regarding the citizenship or immigration status of students or their family members shall be collected, except as required by state or federal law or as required to administer a state or federally supported educational program. The Superintendent or designee shall not disclose student records to a person, agency, or organization for immigration enforcement purposes without parental consent, a court order, or a judicial subpoena. If a district employee receives such a request, he/she shall immediately report the request to the Superintendent. The Superintendent shall report the request to the Board in a timely manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7)

(cf. 5145.13 - Response to Immigration Enforcement)

The Superintendent or designee shall not compile a list, registry, or database based on students' national origin, ethnicity, or religious belief, practice, or affiliation, nor shall he/she disclose student information to federal government authorities for the purpose of compiling such a list, registry, or database for purposes of immigration enforcement. Such information may only be

compiled or exchanged with other local, state, or federal agencies if the information is aggregated and is not personally identifiable. (Government Code 8310.3)
