Board Policy

Bullying

BP 5131.2

Students

The Governing Board recognizes the harmful effects of bullying on student learning and school attendance and desires to provide safe school environments that protect students from physical and emotional harm. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group of students shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel.

The school district has in place policies, procedures, and practices that are designed to reduce and eliminate discrimination, intimidation, harassment, and bullying as well as processes and procedures to address incidents of discrimination, intimidation, harassment, and bullying when they occur.

These policies and procedures must be disseminated annually to staff, students, and parents/guardians. These policies shall be publicized to students, parents, employees, agents of the governing board, and the general public.

The district will not tolerate discrimination, intimidation, harassment, bullying or any behavior that infringes on the safety or well-being of students, staff, or any other persons within the district's jurisdiction whether directed at an individual or group. This includes but is not limited to discrimination, intimidation, harassment, and bullying based on actual or perceived characteristics and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 234.1)

The Board recognizes that some acts of discrimination, intimidation, harassment, and bullying may be isolated and/or unintentional incidents requiring that the school respond appropriately to the individuals committing the acts. Other acts may indicate a larger pattern of discrimination, intimidation, harassment, or bullying that require a response either at the classroom, school site, or district levels or by law enforcement officials. Consequences and appropriate remedial actions for a student who commits an act of discrimination, intimidation, harassment, or bullying may range from behavioral intervention and education up to and including suspension or expulsion. This policy applies to all acts related to school activity or attendance occurring within a school under the jurisdiction of the superintendent of the school district.
